*Heather A. Obora, Chief Purchasing Officer*

### **HEADLINES & DEADLINES**

**December 2006**

#### ⇒ **RECEIPTING/PODDUP**

Items and/or services should NOT be receipted unless received. Schools are asking for corrections to receipts for items that were never received. If a supplier bills for items that have not been received, they will still get paid when invoicing because you have receipted the items. Please follow proper receipting procedures and remember to receipt items within 72 hours of delivery. This procedure is in place to protect you.

#### ⇒ **IPROCUREMENT TRAINING:**

If you are in need of iProcurement Training, please contact Pearlene Carter at 773-553-2916.

#### ⇒ **PURCHASING INTERNAL WEBSITE:**

The internal purchasing website is now available to schools, central and area offices. Note that you need to be on the CPS network to be able to access the site. The URL for the site is <http://dpc.cps.k12.il.us>

You can use the website to search for board reports, create CPO requests and request strategic sourcing waivers by filling out an on-line waiver form. The home page on the website also contains useful links that lists strategic sourcing suppliers and how to buy processes. Additional content will be made available on the website on a regular basis.

### ⇒ **IMPORTANT INFORMATION!**

Recently, numerous Chicago Public Schools have placed and received orders from Vendors without an approved Purchase Order. This is not in accordance with Chicago Public Schools Procurement Policy. Payment for these unapproved requisitions will not be guaranteed.

#### 5% BACK TO SCHOOLS

Getting FREE SUPPLIES is easy! Every time Chicago Public Schools Employees, Parents, Neighbors, and School Supporters make a personal purchase in any of our stores, over the phone or online, they can designate their school of choice to receive credits equal to 5% or the qualifying purchases to use for FREE SUPPLIES!

Your school can get credit(s) for FREE SUPPLIES all year long! Make sure all your families and friends mention at the time of checkout which school to designate for your 5% earnings. Visit your local Office Depot store or call the 5% Back to School Program Hotline at (877)567-5BTS for full program details. Please contact Felicia Carwell, Commodity Manager, at 3-2289 if you have any additional questions.

### ⇒ **VENDOR SELECTION**

Many vendors that do business with CPS have very similar names. Please take an extra moment when creating a requisition and choosing a vendor. For example, many schools choose **Lakeshore Computer** when placing an order for Lakeshore Learning. If purchase orders are not received by the correct vendor, you will not receive your merchandise. If you choose an incorrect vendor when creating a requisition you are at risk of losing your money if it is grant funding or at year-end. Please don't let this happen to you. Use caution when creating requisitions.

### ⇒ **FOR YOUR INFORMATION**

Effective July 1, 2006 the Department of Procurement and Contracts Assistance Center will no longer handle phone calls regarding iProcurement and other purchasing issues. The 3-2265 extension will be eliminated. Business Service Center representatives will be available to all schools to handle these inquiries. Please call the numbers listed below for assistance.

Clusters 1 and 2: 535-5960  
Clusters 3 and 4: 535-5980  
Clusters 5 and 6: 535-7586

### ⇒ **SCIENCE LABORATORY SUPPLIES, EQUIPMENT AND INSTALLATION SERVICES:**

The Board of Trustees has approved an agreement with Fisher Science Education for the purchase of Science Laboratory supplies for all CPS schools. To purchase science laboratory supplies, schools and departments may use Board Report 05-1116-PR2.

The Board Approved Vendor for Laboratory Supplies is:

Fisher Science Education  
Vendor #41947  
Contact-Customer Service  
800-955-1177  
Reference Account # 243768-001

Science Lab Equipment was offered and advertised for 'competitive bidding' to companies for the purpose of saving money for CPS schools and teachers with lower prices and receiving free shipping on orders. Fisher Science Education was the responsive and responsible bidder with the lowest price. Teachers and schools, through this approved Board Report, may order Science Lab Supplies at very competitive pricing.

It is not mandatory that schools order Lab Supplies from Fisher if schools find another vendor with higher quality products and comparable pricing the schools may use another vendor.

The CPS Procurement and Contracts, Contract Administrator is Nanzi Flores who can be reached at 773-553-2273. Free shipping on all orders excluding live, hazardous and motor freight items. You may start ordering now; by logging into the I-Procurement shop page and click on the Fisher Scientific punchout icon.

### ⇒ **APPLE SERVER PURCHASES**

Apple servers are no longer available under contract. In addition, OTS does not plan to order them this coming Fiscal Year 2006-2007. Schools desiring to purchase Apple servers for non-ERate eligible purposes may do so up to \$25,000 from any CPS vendor carrying the products. Between \$25,001 and \$75,000, schools may purchase products or services by obtaining three quotes and submitting these quotes to the Chief Purchasing Officer through the CPO Request Application for approval. Purchases above \$75,001 and under \$250,000 will require a written solicitation through the CPO Request Application and a Board Report.

Apple desktops and laptops continue to be available under the strategic sourcing contract with Apple. Please contact Craig Holloway, Commodity Manager, at 3-2903 if you have any questions.

Extra licenses must be purchased to do so.
