Per the Microsoft Select Agreement, as CPS buys Microsoft products, CPS is responsible for the duplication of disks. CPS has contracted with CDW-G to make the software CDs. Schools will receive one CD (or set) for each software title ordered, even if multiple licenses are ordered. This CD may be used to install the software on the number of computers licensed. Extra CDs for backup or replacement are available at \$8.00 each. These CDs do not increase the number of computers on which a school is allowed to install the software. Extra licenses must be purchased to do so.
